

Final Project

presenter - Tamar Rosenberg

Neil Alden Armstrong

what

was an american astronaut, test pilot and one of the staff members and one of the team on the aircraft carrier and became famous for being the first man to walk on the moon.

When

July 20, 1969
Armenstront was the first who walked on the moon.

what is he caught

On this occasion he said the well-known sentence

That's one small step for [a] man, one giant leap for mankind

where

in the United States during the cold war
In this war between the United States and Russia, the space race took place
The goal was who would prove her superiority and landing a manned spacecraft on the moon.

accompanying background

on his first flight into space
There was Neil Armstrong
Gemini 8 mission pilot in 1966.
This mission was the first which performed docking and connection to another object in space while staying on track around the earth in his second (and last) mission was a mission commander
Apollo 11,
that landed on the moon.

When nothing
goes right,
go left.

Never give up
because graet
things take
time.

DO YOUR BEST

We love you
to the moon
and back.

YOU
CAN
DO
IT

When nothing goes right, go left
The main thing is not to give up

TOPS

Just because
it's hard
doesn't
mean it's
impossible
you
can do it

Our backpacks are everything a student needs

What is closest
to me is the
backpack,
it always keeps
everything
important to me
And even when
I load too much
It always has a
place for
everything I need.

It is important that it is also
designed
they don't deprive him eitherour
backpacks
are designed and beautiful
they do not weigh much and
are easy to carry and most
importantly comfortable
and healthy for the back.

**But in the end what is
most important is to-**

Keep moving
forward and don't
stop
every small step
will lead
you to your goal.

Never stop dreaming

**Neil
Armstrong**
was the first
astronaut to
walk on the
moon
inspired
by him, we
designed
a series of
shoes for
students who
aspire
to reach far

100%

Just because it's hard doesn't mean it's impossible you can do it

Our backpacks are everything a student needs

What is closest to me is the backpack, it always keeps everything important to me And even when I load too much It always has a place for everything I need.

Your bottle
will always
be with you
everywhere
and at any
time during
classes and
exams
in the works
it is
important
that it is
comfortable
to use

Our bottles have the ability
to keep water cold for up
to 24 hours and hot water
for up to 12 hours, without
being affected by the outside
temperature. The bottle has
a double-sided vacuum seal,
which prevents liquid leakage.

If you get tire
learn to rest not to quit

You can be Neil...

It not for nothing was Neil
Armstrong the first to walk
on the moon
his love for aviation and
space erupted at a young
ageb and indeed since he
was little he followed the
dream learn all the time and
move forward And just
like that he scored the goal.

We believe in
you
that you can
fulfill any dream
and conquer
any far goal.

A first step will be
followed by another step
Keep moving
forward and don't stop.
